I am an Informatics Engineering graduate with diverse work experience, including roles as a Production Operator, AC Technician, and Catering Crew. Despite coming from various fields, these experiences have honed my ability to adapt, solve problems, and work efficiently. I have a great passion for a career in Information Technology as well as other strategic fields. In addition, I have completed a number of courses that have strengthened my skills in data analysis and visualization, to support data-driven decision-making.

SKILLS

Technical Skills:

• Programming	HTML, CSS, Python, MySQL, PostgreSQL, ChatGPT, Deepseek, Postman.
• Design	Canva, Figma.
• Microsoft Office	Microsoft Word, Microsoft Excel, Microsoft Power Point
• Data Analyst	Microsoft Power BI, Tableau, Anaconda

Soft Skill :   Teamwork, Problem-Solving, Time Management.
